

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMPSHIRE

Denise F. French, et al.

v.

Civil No. 10-cv-498-JL

Time Warner Entertainment  
Co., L.P., et al.

**O R D E R**

The plaintiffs' motion to amend (document no. 65) is DENIED as untimely, no good cause having been shown. The plaintiffs' motion to strike (document no. 66) defendant Time Warner's summary judgment motion is also DENIED. The plaintiffs shall file their objection to Time Warner's summary judgment motion on or before **August 9, 2012**. In addition to the plaintiffs' position on the issues presented by the motion, the objection shall specifically address whether, even if the motion is granted, the plaintiffs can still introduce evidence of the Time Warner-PSNH agreement, and Time Warner's failure to obtain the license required by that agreement, at trial, and if so, on what theory. Time Warner shall file a reply to the objection on or before **August 23, 2012**, setting forth its position on that issue, and addressing the other arguments in the objection to the extent it deems appropriate. The plaintiffs may, but need not, file a sur-reply on or before **August 30, 2012**.

**SO ORDERED.**
